

Exoplanets & Planet Formation Workshop 2023

Yanqing, Beijing
December 16-19, 2023

This workshop will bring researchers primarily around the East Asian area, for in-depth communications and discussions on the frontiers of exoplanets and planet formation research. We also aim to foster regional interactions and collaborations in the post-COVID era.

Confirmed Speakers:

Eugene Chiang (Berkeley)
Shigeru Ida (Tokyo Tech)
Dong Lai (Cornell/TDLI)
Min-Kai Lin (ASIAA)
Hauyu Baobab Liu (SYSU Kaohsiung)

Chris Ormel (Tsinghua)
Lile Wang (PKU)
Yanqin Wu (Toronto)
Ji-Wei Xie (NJU)

See the full list of confirmed speakers on the website.
